Gage Letter of Gratitude

On behalf of all of us here at Gage, we'd like to share a moment of gratitude this holiday season. It means the world to us that you have continued to recognize Gage as a trusted resource and hiring partner right here in our community. Our business would not be the same without strong community partners like you.

Over the last several years, we have taken the opportunity to sharpen our goals, strengthen our mission and focus on our values in order to continue to evolve with each new market. We've celebrated many achievements over the last year - and continue to dedicate our time, talent and resources to support our community, our employees, our students and our future workforce.

As a third-generation family-owned business, we are forever grateful to our founders, our family, and our staff. Special thanks to our staff and leadership team as they continue to amaze us with what they can accomplish in each new market, achieving their goals and continually finding new and creative ways to support our partners.

Above all, we'd like to thank our clients, customers, partners, friends and our community as a whole. As we look ahead to the new year, here at Gage we remain committed to our core values of being accountable, being kind, being humble and being a trusted resource.

We promise to deliver only the best in our industry – and we hope to continue to be your local recruitment firm of choice - not only for your traditional staffing needs, but also as your local leader in professional placements and executive search, as well as your local workforce and recruitment consultants under our newest line of service.

We thank you for your trust in us, and we look forward to continuing to be a trusted resource for our community for years to come.

The Gage Family

Bill, Gwen & Kristi

Gage wins People's Choice!

Gage is celebrating the recent announcement of Berks County Living Magazine's 2023 People's Choice Award, which we are proud to celebrate for more than 25 consecutive years. We could not have done this without our amazing team and the people that look to us as their local career experts. We look forward to celebrating more in 2023!

Workforce and Education Investment: EITC Funding in Berks!

Gage continues to make meaningful contributions to various local organizations that support our community. This year, we were pleased to contribute an additional \$20,000 in EITC funding to five different organizations, investing in scholarships and educational improvement organizations right here in our local community: *Wyomissing Area Education Foundation, Reading Area Community College Educational Foundation, Berks Business Education Coalition, Safe Berks and the Berks Career and Technology Education Foundation.*

Gage/Reading High Career Program Returns!

We are thrilled to announce the re-launch of our innovative Gage/RHS Career Program, which allows us to directly assist the students of Reading High School with career connections, interview tips, job placements, and more.

Gage Renews WBENC Certification

Today, as a proud WBENC-Certified Woman-Owned Business with more 51% of women leading our organization, Gage is able to give our customers more options – from local staffing and placement services, to government tax incentives and rewards for companies partnering with women-owned businesses.
